

Declaration of Performance

No. DOP_MMHP_301

- Unique identification code of the product type: Construction timber sorted by strength for load-bearing purposes with rectangular cross-section according to EN 14081-1:2005 + A1
- 2. Type, batch or serial number or another indicator for identification of the construction product according to Article 11 Section 4 BauPVo (Construction Products Regulation):

Production date or batch number may be retrieved from the component marking.

3. Intended use of the construction product according to harmonised technical specification:

Construction timber for load-bearing purposes

4. Name, registered trademark or brand as well as address of the manufacturer according to Article 11 Section 5 BauPVo:

Mayr-Melnhof Holz Paskov s.r.o 73943 Staříč 544 Czech Republic

5. Name and address of the representative authorised for the tasks according to Article 12 Section 2 BauPVo:

No authorised representative

6. System for assessment and examination of the constancy of performance according to Appendix V of BauPVo:

System 2+

7. If the construction product is controlled via a harmonised standard:

With respect to bonding strength and fire behaviour, the notified authority HolzCert Austria – No. 1359 – undertook the determination of the product type on the basis of an initial test, the initial inspection at the factory and the in-house production control as well as continuous monitoring, assessment and evaluation of the in-house production control and issued a certification of conformity with the EC Certificate of Conformity No. 1359-CPD-0090.

8. If the construction product is controlled via a European technical assessment:

Not applicable

9. Declared performance:

Essential features	Performance	Harmonised technical specification
Modulus of elasticity	C 18, C24, and C30 according to EN 338, sorted according to ÖNORM DIN 4074-1:2012 and allocated to the strength class according to EN 1912 The allocation of the timber delivered to strength classes can be retrieved from the accompanying documents. The respective product dimensions can be retrieved from the accompanying documents.	EN 14081- 1:2005+A1
Bending strength		
Compressive strength		
Tensile strength		
Shear strength		
Natural durability	Natural durability against fungal infestation according to EN 350-2: Spruce/Fir: durability class 4 Larch: durability class 3-4 Pine: durability class 3-4	
Fire behaviour	D-s2, d0 according to EN 14081- 1:2005+A1, Appendix C	
Treatment with protective agent against biological infestation	NPD	

10. The performance of the product according to numbers 1 and 2 corresponds to the declared performance according to number 9. The manufacturer according to number 4 is solely responsible for the preparation of this declaration of performance.

Signed on behalf of	the manufacturer:	
	Radim Strava, Management	
	(Name and function)	
		Paskov, 30/6/2013
